I hereby request the Louisiana Office of State Fire Marshal to forward _____ (total #) Industrialized Building decals to be affixed to units manufactured in the above facility in accordance with Louisiana Industrialized Building Act 364 of 2007. I certify that these decals will be applied as stipulated by laws, rules and regulations applicable to industrialized buildings as adopted and amended periodically by the state of Louisiana. I understand that these decals are the property of the state of Louisiana, and that the manufacturer is, by law, responsible for their security, use and disposition at all times. Enclosed is check # _____, dated _____, in the amount of \$ _____ for printing and handling of decals.

Manufacturer's Quality Assurance Representative (signature)

Manufacturer's Quality Assurance Representative: (printed)

- Please include a printing and handling fee of \$5.00 per decal.
- **MAKE CHECKS PAYABLE TO: Louisiana Office of State Fire Marshal.**
- Include a **COMPLETED** return air bill with your order for shipment of decals.

Failure to provide all information could delay processing of your order. Your order will be shipped at your expense. Please allow five (5) working days from the time the order is received to process your decals.

All units to which these decals are to be affixed must meet the requirements of the mandatory state codes and standards in effect at the time of manufacture. No decal shall be installed prior to third party inspection report indicating compliance of the module or modular component with Act 364 of 2007. The Manufacturer's Quality Assurance person or inspection agency is responsible for placing the assigned decal on a module or modular component.
